Re: Fee Required for Notice of Intention to Commence Small Mining Operations, Color Country Rock, Quail #45 Mine, S/053/066, Washington County, Utah

Dear Mr. Gore:

Thank you for forwarding a copy of Color Country Rock, LLC's Notice for their Quail #45 small mine project, which was received by the Division on December 18, 2000. The proposed project is located in Section 33, T42S, R17W, Washington County, Utah. Your agency's designated number for this project is UTU-78928.

Before we can begin reviewing the SMO notice, we require payment of the permit fee. A SMO with less than five acres of disturbance requires a \$100.00 permit fee be submitted with the initial application. We have assigned file number S/053/066 to this proposed project. We will, however, suspend placing this notice on our review schedule until we have received the permit fee. A copy of this letter along with a billing statement will be forwarded to Mr. Hafen.

If you have any questions regarding this letter, please contact me at (801) 538-5291 or Doug Jensen at 538-5382.

Sincerely,

Joelle Burns
Minerals Secretary
